ISTA EXECUTIVE MEETING

Ames, Iowa, December 4, 1965, 9:30 A.M.

The meeting of the Iowa Science Teacher's Association Executive Board was called to order by Mr. David Fagle, President.

Guests were introduced: Dr. Ted Daub, Dr. George Knaphus, and Dr. Don Biggs.

Members present at the executive meeting were as follows:

David Fagle	Lyle Anderson	Dr. Robert Yager
Thomas Scott	Mrs. Betty Goettsch	Dr. Delma Harding
Richard Sweeney	Roger Volker	Doug Brown
Kenneth Frazier	George Chapman	

Freman Gruber by letter and Vern Gunderson by telephone notified President Fagle they could not attend the Executive board meeting.

Minutes of the September 25 Executive Board meeting were approved.

Mr. Kenneth Frazier gave the following treasurer's report. The 1964-65 treasurer's books have at this time not been closed. Mr. Cameron Christiansen deposited with Mr. Frazier \$500.00 to open a new account. The treasurer is bonded and the account was opened at the Union Story Bank in Ames.

Deposits	\$500.00
	271.00
Checks paid out:	
NSTA	16.00
NABT	26.00
IAS	142.00
Fagle	18.35
ISTA banquet	282.00
Volker	13.31
Anderson	4.05
Bank balance statement as of Dec. 4, 1965—	\$370.79

Mr. Frazier informed the committee that we still receive a one dollar rebate from NABT memberships when they are collected by the ISTA.

A motion was made and passed that a copy of the Treasurer's report be sent to the officers when the 1964-65 books have been closed.

Mrs. Betty Goettsch, chairman of the 1966 short course, to be held March 4-5 in Ames, (subject to change by ISU) introduced Mr. Don Biggs who led a short discussion on what had been done as to date and what suggestions the executive board would like to make concerning the short course. After much discussion about format of the short course, topics to be covered, and speakers, a motion was made and passed to leave final arrangements of program up to the ISU Science Short Course Committee. Suggested speakers were Clark Bowen, Bill Larson, Dr. Svec for the combined sessions. The format of the short course will be similar to past years with areas of concentration being on subject matter.

A motion was made, seconded, and passed that the fee for the short course will be \$10.00 for the two days or \$6.00 fee Saturday registration. It was pointed out that a large part of the fee is for the banquets.

Dr. Biggs informed us that their committee will send out a letter to all Superintendents informing them of the short course. This will be followed up with a

letter to the science teachers of the state.

Membership:

- a. As of this date a secretary has not be hired to help the membership chairman.
- b. A complete membership list has not been completed.
- c. The "blurb" reminders have not been completed.
- d. Membership cards have been sent out as of October ISEA meeting.

Lyle Anderson said he will have 3,000 "blurbs" printed and ready to go by January 1, 1966. (There will be a series of three different "blurbs" sent to Iowa science teachers.) A motion was made, seconded, and passed to mail the "blurbs" on January 10, February 10, and March 10, 1966. Dr. Yager will donate addressed sticky labels to be used in mailing the series of "blurbs" and Mr. Pegler from the Iowa Academy will attach labels and send out "blurbs".

Nominations were made by the executive committee to the president to fill the following positions and committees. Chairman of election committee, resolutions committee, and teacher study committee. The president will contact the nominees to serve on the committees.

It was suggested that the membership chairman compose a letter to be sent to all active members commending them on their activity and participation in the ISTA. A motion was made, seconded, and passed that this letter be sent by December 15, 1965.

In discussions of member participation it was recommended by the committee that the president write a personal letter to section chairman, committee chairman, regional chairman, etc. to see if they personally are still willing to serve the organization.

The following items were discussed, a motion made, seconded and passed by the executive board:

- a. That ISTA buy a tape of the Northeast regional meeting. (A motion was made to buy more tape and re-record excerpts from the meeting to be used by regional directors as an edited pep talk. No second.)
- b. That ISTA send the president to the NSTA convention in New York with support of \$50.00.
- c. That the lunch for December 4, 1965 meeting be provided for by the association.
- d. To buy a ledger for the ISTA secretary to keep notes in.
- e. That the ISTA pay \$.02 mileage for members present at the December 4, 1965 executive meeting.
- f. That the September executive board meeting to be held in various towns of the state. The purpose to spread out the meeting areas.
- g. That there should be five executive meetings a year. The September meeting before the ISEA convention; A meeting during the ISEA convention; a December meeting; a meeting during the short course; and at the spring meeting of the Iowa Academy. The agenda will be mailed to the executive committee before the meeting and the time will be set by the president.
- h. That the time for the executive meeting during the short course be set by the president at a later time. (Friday night after last session was suggested as the best time for the meeting.)

A short discussion of the fall meeting included items as to programs, speak-

ers, and banquet. It was suggested that the dinner start at 12:00 instead of 12:30.

The president will appoint a committee to study constitution revision. This revision will appear in the February Iowa Science Teachers' Journal and will be adopted by membership at the spring meeting held in April.

Warren Classon is now NE Regional director for NSTA. He will act to co-ordinate chairman in the region.

It was recommended that the NSTA plaque be kept by the president and to become part of his materials. This plaque to be displayed at all meetings of the ISTA.

The meeting was adjourned at 2:35 p.m.
